

Hold rods securely.

Our rod holders provide a secure grip on rods during surgical procedures.

- Available in straight or curved patterns.
- Different patterns are designed to help securely hold either a 4.0, 4.5, 4.76, 5.0, 5.5 or 6.35mm rod.
- Ratchets help to firmly hold a locked position.
- Made from German stainless steel.
- Available from stock.
- Custom rod holders will be quoted based on supplied customer specifications.
- Quality verified and guaranteed by gSource.
